

Penshurst West FC

Player's Shirt Policy

The Club Policy regarding the issue, care and return of all team playing shirts is as follows:

At the start of the season, a set of playing shirts will be issued to each team which the coach or manager **must sign** for. This set becomes his/her **responsibility** for the season.

Each player in the team is to be assigned a numbered shirt. The player wears this number shirt for the **entire** playing season.

The player's name and the number of the shirt they have been assigned, must be recorded on the 'Shirt Assignment Form' provided. The Shirt Assignment Form is to be completed and handed to the club Gear Steward by the 3rd round of the season.

Coaches/Managers may elect to do one of the following:

1. Issue a shirt to each player in the team for the duration of the season. The players are then responsible for the laundry and care of their shirt during the season. Players must return their assigned shirt to the Coach/Manager at the completion of the last game of the season or premiership.
2. At the completion of each match, the Coach/Manager can elect to have all playing shirts collected. The shirts can then be given to whoever is rostered to do the laundry that week. The shirts are then delivered back to the team at training or in readiness for the next competition game.

At the end of the season, the Coach or Manager shall then return the complete set of shirts under their responsibility to the Club Gear Steward. Any missing shirts can then be traced to the person to whom it was assigned, and action taken to recover the cost of the shirt.

All Players who do not return team shirts at the end of a season shall be declared 'un-financial' with PWYC FC and reported to the St. George Association.

Transfer to another Football Club and registration for the next football season will be denied as a result.
